EVERY CHILD DESERVES A SPARK

At Valley Discovery Museum, we believe **curiosity shouldn't depend on a zip code**. our hands-on exhibits bring **science**, **nature**,and **art** to life for thousands of local families each year, across multiple gallery spaces designed to **inspire every age and interest**.

And through our **free statewide outreach program**. we take that same experience directly into classrooms and communities that **need it most**.

YOUR GIFT OF $35 PUTS A CHILD IN FRONT OF AN EXPERIENCE THEY MAY NEVER FORGET.

Every dollar goes directly to programming, and every donor receives a quarterly impact report.

We'll match it dollar for dollar.
